## Typical covered services

### Medical-surgical contracts

The following services are commonly covered under Pennsylvania Blue Shield medical-surgical programs. Some contracts may expand on these (for example, office visits, preventive services), while others may have fewer or more limited benefits. Payment of claims is based on the terms and conditions of the member's specific contract in effect at the time services are provided.

For details about your patient's coverage, call OASIS at (800) 462-7474 or (717) 975-6800. If you submit claims electronically, access CareConnect for this information. For more information about CareConnect, please go to [www.careconnect.com](http://www.careconnect.com) or call Highmark EDI Services at (800) 992-0246.

**Surgery** including inpatient preoperative care and normal postoperative care for the treatment of disease or injury.

**Transplant surgery** including services performed for the removal of an organ from a donor when the donor is not covered by another health plan.

**Oral surgery** for the removal of impacted teeth covered by bone.

**Assistant surgery** when Blue Shield determines the condition of the patient or the type of surgery warrants the assistance of another professional provider.

**Second surgical opinion consultations** to determine the medical necessity of elective surgery. A third opinion is eligible in cases where the second opinion differs from the first recommendation.

**Anesthesia** for covered services when administered by a professional provider other than the surgeon, assistant surgeon or the professional provider actually performing the service. Local infiltration of anesthesia is not covered.

**Maternity services** including normal prenatal and postpartum care.

**Routine newborn care** for an infant during the mother's confinement in a hospital or birthing center.

**Inpatient medical care** for up to 120 days for each period of hospitalization. At least 90 consecutive days must elapse between discharge and subsequent admission for an inpatient stay to be considered a new period of hospitalization.

**Concurrent care** by a professional provider who is not in charge of the case, but whose particular skills are required.

**Inpatient consultations** by other than the provider in charge of the case, when the patient's condition warrants it and the provider in charge requests it. Payment can be made for only one consultation by each consultant per admission.

**Skilled nursing care** when the patient's illness requires at least three days of hospitalization, medical care for continued treatment and admission to a skilled nursing facility within 14 days after discharge from a hospital. These services are limited to two visits the first week and one visit each week thereafter. Each day in a skilled nursing facility will count as one-half day against available inpatient medical care days.

**Psychiatric care** for treatment of mental or nervous disease, drug addiction and/or alcoholism. Benefits are limited to 30 inpatient days per 12-month period.

**Convulsive therapy** including anesthesia for shock therapy.

**Emergency accident care** for an accidental injury if attended to within 72 hours of the accident.

**Emergency medical care** within 72 hours of a medical emergency.

**Diagnostic services:**

- X-ray, radiology, ultrasound and nuclear medicine;
- Laboratory and pathology tests performed, billed for or ordered by a professional provider;
- ECG, EEG and other diagnostic medical procedures approved by Blue Shield;
- Allergy testing.

**Therapy services:**

- Radiation therapy;
- Chemotherapy, including the administration and cost of drugs approved by the Food and Drug Administration (FDA) as antineoplastic agents;
- Dialysis treatments;
- Physical therapy for an inpatient.

**Preventive benefits:**

- Routine mammography (One screening mammography per calendar year is covered for women 40 years of age or older. For women under 40, all physician-recommended mammographies are covered.);
- Pediatric immunizations;
- Annual routine gynecological examination and routine Papanicolaou test for all females.

## Typical exclusions

### Medical-surgical contracts

These exclusions are commonly found in members' agreements. Some contracts may expand on these, while others may cover some of these services, supplies or charges. Payment of claims is based on the terms and conditions of the member's specific contract in effect at the time services are provided.

Except as specified in the Agreement, no benefits will be provided for services, supplies or charges:

1. Rendered by someone other than professional providers;
2. For any illness or bodily injury that occurs in the course of employment if benefits or compensation are available, in whole or in part, under the provisions of any legislation of any government unit. This exclusion applies whether or not the member claims the benefits or compensation;
3. To the extent benefits are provided by the Veteran's Administration or the Department of Defense for active military personnel;
4. For any illness or injury suffered after the member's effective date as a result of an act of war;
5. For payment made under Medicare when Medicare is primary or would have been made if the member had enrolled for Medicare and claimed Medicare benefits; however, this exclusion shall not apply when the group is obligated by law to offer the member all the benefits of this contract and the member so elects this coverage as primary;
6. For which a member would have no legal obligation to pay in the absence of this or any similar coverage;

7. For preoperative care when the member is not an inpatient and any postoperative care other than that normally provided following operative or cutting procedures;
8. Which are experimental or investigative in nature;
9. Which Blue Shield has determined to be not medically necessary or for screening examinations, and routine or periodic physical examinations;
10. Directly related to the care, filling, removal or replacement of teeth, the treatment of injuries to or diseases of the teeth, gums or structures directly supporting or attached to the teeth. These include, but are not limited to, apicoectomy (dental root resection), root canal treatments, soft tissue impactions, alveolectomy and treatment of periodontal disease;
11. For treatment of temporomandibular joint syndrome with intra-oral devices or any other method to alter vertical dimension;
12. For operations for cosmetic purposes except those performed to correct a condition resulting from an accident that occurs while the member is covered by Blue Shield. The member must be enrolled without interruption from the date of the accident to the date of the operation in order to be eligible for cosmetic surgery;
13. For palliative or cosmetic foot care including flat foot conditions, supportive devices for the foot, the treatment of subluxations of the foot, care of corns, bunions (except capsular or bone surgery), calluses, toe nail (except surgery for ingrown nails), fallen arches, weak feet, chronic foot strain and symptomatic complaints of the feet;
14. Performed in a facility by a professional provider who in any case is compensated by the facility for similar services performed for patients;
15. Received from a dental or medical department maintained by or on behalf of an employer, a mutual benefit association, labor union, trust or similar person or group;
16. For which the fees or charges are billed by hospitals or other facilities;
17. Performed by a professional provider enrolled in an education or training program when such services are related to the education or training program;
18. For personal hygiene and convenience items such as, but not limited to, air conditioners, humidifiers or physical fitness equipment, whether or not recommended by a professional provider;
19. For telephone consultations, charges for failure to keep a scheduled appointment or charges for completion of a claim form;
20. For custodial care, domiciliary care or rest cures;
21. For the detection and correction by manual or mechanical means of structural imbalance or subluxation resulting from or related to distortion, misalignment or subluxation of or in the vertebral column;
22. For hearing aids or examination for the prescription or fitting of hearing aids;
23. For eyeglasses or contact lenses and the vision examination for prescribing or fitting eyeglasses or contact lenses, including related diagnostic tests such as, but not limited to, visual fields testing;
24. For outpatient prescription drugs;
25. For equipment costs related to services performed on high cost technological equipment as defined by Blue Shield, such as, but not limited to, computed tomography (CT) scanners, magnetic resonance imagers (MRI) and extracorporeal shock wave lithotripters, unless the acquisition of such equipment by a professional provider was approved through the Certificate of Need (CON) process and/or Blue Shield;
26. For clinical pathology services for which a hospital or other facility bills;

27. Incurred prior to the member's effective date;
28. For treatment in connection with sexual dysfunction not related to organic disease, transsexual surgery, artificial insemination and for assisted fertilization techniques such as, but not limited to, in-vitro fertilization (IVF), gamete intra-fallopian transfer (GIFT), and zygote intra-fallopian transfer (ZIFT);
29. For correction of myopia or hyperopia by means of corneal microsurgery such as keratomileusis, keratophaki and radial keratotomy, and all related services;
30. For treatment of obesity, except for surgical treatment of morbid obesity when weight is at least twice the ideal weight specified for frame, age, height and sex;
31. Which are paid, or payable, in whole or in part, by a Blue Cross Plan;
32. Treatment or services for injuries resulting from the maintenance or use of a motor vehicle if such treatment or service is paid under a plan or policy of motor vehicle insurance, including a certified self-insured plan, or payable in any manner under the Pennsylvania Motor Vehicle Financial Responsibility Law;
33. Which are submitted by a certified registered nurse and another professional provider for the same services performed on the same date for the same patient;
34. For routine neonatal circumcision;
35. Which were or are incurred after the date of termination of the member's coverage except as provided in the Agreement;
36. For any other medical or dental service or treatment except as provided in the Agreement.

Capital Blue Cross and Pennsylvania Blue Shield provide administrative claims payment services only and do not assume any financial risk or obligation with respect to claims.

**MEMBERS:** To maximize your medical benefits, always see your Primary Care Physician (PCP) first. Referrals to specialists or hospitals must be coordinated by your PCP before the service is performed. Copayments are due at the time of service. If you choose not to have your care coordinated through your PCP, you will receive a reduced level of benefits and you will be responsible for securing preauthorization when required. If you have any questions about this program, please call our Member Services Unit at 1-800-345-3807 and we will be pleased to assist you.

**EMERGENCIES:** In the event of a life-threatening emergency, you should seek immediate assistance at the nearest medical facility. Contact your PCP within 48 hours of receiving treatment.

**CLAIMS OFFICE ADDRESS:**

PLEASE SEE BACK OF CARD FOR SPECIAL INSTRUCTIONS

This Blue Cross and Blue Shield card identifies you as a subscriber and is valid as long as your agreement is in effect. If you or any eligible dependent require medical services, present this card to the health care provider.

**CLAIM FILING** Most claims for facility or professional services can be filed with the Blue Cross or Blue Shield Plan serving the area in which your services were received. Check your Benefit Booklet or contact our Customer Service Department if you need additional information about how to submit a claim. Instructions for filing may vary depending on your coverage and location of service. When filing claims, please include the group and subscriber identification numbers appearing on the face of this card.
