

What Region Am I?

Highmark's professional provider office manual is designed to give you region-specific information tailored to your needs. We present general information applicable to all providers, but we also present information specific to various regions. Where information varies, you'll be asked to select your region to view the information applicable to you.

Highmark defines its service regions as outlined in the map below.

-  **Western Region** – shown in green above: includes the 29 counties of western Pennsylvania. Also included in the Western Region are the contiguous counties in Ohio, West Virginia, Maryland and New York.
-  **Central Region** – shown in gray above: includes the 21 counties of central Pennsylvania and the Lehigh Valley.
-  **Northeastern Region** – shown in yellow above: includes the 13 counties in northeastern Pennsylvania.
-  **Eastern Region** – shown in blue above: includes the five counties in southeastern Pennsylvania.
