A Medicare Advantage Private Fee-for-Service plan works differently than a Medicare Supplement plan. Your doctor or hospital must agree to accept the plan's terms and conditions prior to providing health care services to you, with the exception of emergencies. If your doctor or hospital does not agree to accept our payment terms and conditions, they may not provide health care services to you, except in emergencies. Providers can find the plan's terms and conditions on our Web site at www.highmarkblueshield.com.

Highmark Blue Shield has a contract with the federal government to offer FreedomBlue PPO & PFFS, a Medicare-approved PPO & PFFS.

You are invited to an informational meeting in your neighborhood.

BlueRxSM is Medicare-approved prescription drug coverage, also known as Part D coverage, from Highmark Blue Shield. **BlueRx** helps you save money on prescription drugs with reliable, secure coverage you can count on. **MedigapBlueSM** is Medicare Supplement protection from Highmark Blue Shield that helps pay many of the expenses Medicare does not cover. **MedigapBlue** provides unrestricted access to the health care providers of your choice — wherever you are.

Now it's simple to get Medicare Supplement insurance and an affordable Part D prescription drug plan from the same company.

A sales representative will be present with information and applications. They can also discuss benefits, answer your questions and explain how to enroll.
